

Analects of Confucius

What the Master said	What I think the Master meant	Something I could learn from the Master that I use
<p>“Give your mother and father no other cause for anxiety than illness.”</p>		
<p>“Even when walking in the company of two other men, I am bound to learn from them. The good points of the one I copy; the bad points of the other I correct in myself.”</p>		
<p>“Do your best for others and be trustworthy in what you say. Do not accept as a friend anyone who is not good to you.”</p>
